Home Lucky Draw Past Results GES Committee Contact Us

Dear Graduate

Thank you for your interest and support in our GES 2013 survey.

We will be conducting the lucky draw in Feb 2014.
Look out for the lucky winners in this space. Good Luck !!

You may also be interested in the GES 2013 [press release](#) which shows that Poly fresh graduates enjoy slight increase in starting salaries in 2013.

With best regards,
The Joint-Polytechnic GES Committee

Graduate Employment Survey

If you are WORKING, please note that your basic monthly salary should include your bonus as well.

For example, if you are getting \$1800 monthly but you have 3 months bonus per year), your basic monthly should be $= (\$1800 \times 15 \text{ months}) / 12 \text{ months} = \$2,250$ per month. This excludes your OT, commissions etc which you should indicate as well in a separate field as below:

$$\begin{array}{r} \$ \text{ (Basic Monthly Salary)} \\ + \quad \$ \text{ (Average Overtime Pay + Commissions+ Allowances + Other regular cash payments)} \\ \hline = \$ \text{ (Gross Monthly Salary)} \end{array}$$

If you are NOT WORKING and fall into any of the following categories, please let us know immediately so that we can help you: (JULY 2014)

- 6 Not working but actively looking and available for a Full-Time Permanent job
- 7 Not working but actively looking and available for a Part-Time / Temporary job
- 8 Accepted job offer and will start work later
- 9 Taking active steps to start a business venture

If not, we trust you are either:

- 5 Not working and not looking for a job as currently pursuing / preparing to commence further studies
- 10 Not working and not looking for a job

Looking forward to your next leap...
